

RETURN TO WORK SAFELY

*convenient clearance
from home*

Northeast Georgia Physicians Group (NGPG) Occupational Medicine is offering video visits for clearance to return to work following COVID-19 illness. Connect with a physician from your home, and work release documentation will be sent electronically following the visit.

If you've been recovering at home from COVID-19 illness or quarantined following COVID-19 exposure, NGPG's Occupational Medicine team will provide a medical visit using the CDC criteria for returning to work.

To schedule:
ngpg.org/occupational-medicine
770-219-8275

Return to Work Appointments are \$50, payable using your HSA or credit card. Insurance will not be filed.
