What does Lumpkin County have?

- State of Georgia Tier 3 tax credits for new investments, new jobs, port jobs, and quality jobs
- Established workforce development pipelines
- 100% Freeport Tax Exemption
- Industrial Revenue Bond (IRB) Financing for eligible projects
- Designated *Broadband Ready Community*
- Access to water, sewer, and natural gas
- Northern neighbor of two of the fastest growing counties in the nation
- Proximity to major thoroughfares
- Quality of life unique to the North Georgia mountains

170,684 LABOR DRAW AREA

Strong relationships with local and regional workforce development partners allows the Development Authority to assist existing or new businesses with workforce needs, especially in the skills/trade area of expertise. These existing partnerships help businesses create a pipeline of talent that best fits their specific business needs! Working with the Development Authority and these partner agencies can open the door for specialized training, work-based learning, internships, and apprenticeship programs for businesses.
