

As a long time business here in Dahlonega, GA, R-Ranch in the Mountains is continually looking to be great stewards of the community. We are highly active in community events in teaming up with the Sheriff's office to provide a no cost venue for the great Easter Egg hunt, while also hosting Breakfast with Santa for the children of the community. We are highly involved in the Chamber of Commerce and always try and provide a little to no-cost solution to non-profits in the community in their fundraising events/efforts. We have hosted everyone from Enotah CASA to NOA and ConnectAbility. We continually sponsor South Enotah's CAC's Charity events as well as local youth sports teams. In 2021, R-Ranch made a \$650,000 investment to expand our RV amenities in order to grow in membership.

Our marketing efforts look to draw in new members from all over the state of Georgia to bring them to Lumpkin County for weekends and week-long stays throughout the year. This economic impact of over 700 members consistently has them dining, shopping, entertainment and exploring Lumpkin County. Our Event Venue side has grown over the last 4 years as well, as we look to provide another great avenue for those that want to have their special day in Lumpkin County. R-Ranch's growth over the past 4 years has allowed the development of 5 new full-time positions as well as several part-time and contracted positions. We provide work/learning opportunities for college students as well as have participated in WBL with the high school. We look to provide opportunities in our workforce for continuing education and employee development. Our growth and investment back in the Ranch for not only new amenities but also improvements in our current infrastructure have been possible by utilizing as many local businesses as possible. We want to not only grow our business but also support other local businesses as best we can.
