

Over the years Brandon has been called a lot of things... fixer, troubleshooter, craftsman, handyman, the doer and of course jack-of-all-trades. But what he really enjoys is being a humble servant by serving those God puts in his path.

“We humbly serve households and small businesses. We help people free up their time while we work on those items on the project list.”

Home Repair: I have always loved fixing things. Repair knowledge is not enough without experience. From deck repair, door installation, minor electrical + plumbing to full room overhauls or remodels, I have fostered all of the skills you need for household repairs and improvements.

Values: Whether you need a repair or a full renovation, I can deliver professional skills at a fair price. I value and deliver Exceptional Service, Honesty & Integrity, along with Premium Quality and my highest priority is to get the job done right the first time on every assignment.

Home Service Options: I provide a full consultation to explain available options so that you can choose the service that's right for your home or business. I strive to meet your project's needs and save you the time!

Lawn Care: In addition to fixing things, I have always had a love for the outdoors, so naturally lawn care fit right in. As we all know outdoor projects for our yards can be endless. Which is why I am here to help.
